

# General Joinery

Whether manufacturing from client designs or designs we have prepared for you, and no matter how large or small a project, we invest the same care and attention in all of our joinery services.

- An ethos of innovation and continuous improvement to deliver a complete fit-out service to an exceptional standard at an affordable price
- A policy to provide safe, professional services and products to meet the needs of our customers
- The benefits of an extensive off-site manufacturing capability to reduce risk and minimise waste
- A complete range of fit-out products including; staircases, doors, cabinets, seating, glazing, panelling and external cladding
- Experienced project management combined with highly skilled teams of trained craftsmen to ensure exceptional workmanship and service throughout a project
- A comprehensive 3D design capability from conception through to installation
